

Santa Cruz Valley Car Nuts Privacy Policy

Last Updated 17 July 2019

Overview

Santa Cruise Valley Car Nuts is an organization that promotes classic automobiles to show and participate in community activities. The Club is made up of dues paying members with monthly meetings and a yearly car show that provides scholarship monies to local High School seniors. The club is always aware of keeping personal data private. This document provides a means to ensure club members personal data is not shared with outside sources and is kept private and confidential.

Collection, use and disclosure of personal information

The club will collect names, phone numbers, credit card information and email addresses if required for the purpose of registering vehicles for the annual car show. The information will only be used for registration and historical purposes as input to the online database. No personal information will be shared with others. This information will not be disclosed to outside or third parties.

From GDPR law: "Given that children merit specific protection, any information and communication, where processing is addressed to a child, should be in such a clear and plain language that the child can easily understand." No information concerning children's information will be collected.

Giving consent for others

All information about managing consent if members need to provide personal data about others will be kept confidential and not disclosed to the public.

Third-parties applications

Any information shared with third party applications and registration software programs will be considered private and confidential. Any third party must be prepared to respond to data requests from your members.

Contact Information for any requests for changes to personal information can be addressed to:
